

DAY 2 - SHARED RESOURCES

Building Shared Resource for **ALife Education**

Current Resources

ISAL Education Github	<u>https://github.com/isal-alife/artificial-life-teaching-materials</u>
Alife-edu website	<u>https://alife-edu.github.io/</u>
ALIFE Encyclopaedia	<u>https://alife.org/encyclopedia/</u>
ALife Educators Directory?	For those who have opted in :)
Other ideas?	Post to #building-shared-resources

Discussion point: a lack of educational resources

1. In an ideal scenario, what would the “perfect” set of ALife resources look like?
e.g. books, websites, videos, podcasts, blogs, encyclopaedia, sims?
2. Who would we trust? Do they have to be “ALifers”?
3. If resources don’t exist, how can we curate/create them?
